

THE WHITE HOUSE
WASHINGTON

July 30, 2022

The Honorable Jennifer Vidrine
Mayor of Ville Platte
Ville Platte, Louisiana

Dear Mayor Vidrine,

Congratulations on becoming President of the Louisiana Municipal Association and for making history as the first Black woman elected to this position. Being a mayor—let alone the first Black mayor and first female mayor of your city—is a tough job, and your trailblazing leadership is paving the way for all those who will follow in your footsteps.

It is a high honor to be chosen by your peers to represent the important interests of municipal government in the State of Louisiana. Mayors like you know what it means to solve real problems and be held accountable for the people you serve. I look forward to partnering with you and the members of your association to build a better America and ensure that Louisianans receive the support they need.

Sincerely,
